Haldibari , Jhapa, Nepal • 9746877231 • 076bct078@ioepc.edu.np

 @ <https://github.com/Sashi1761>  <https://sashipuri.com.np>  @ <https://www.linkedin.com/in/shashi-puri-534100240/>

An enthusiastic and dedicated individual eager to begin my engineering career and contribute positively to a dynamic team. With a strong foundation in engineering principles, problem-solving abilities, effective communication skills, and a willingness to learn, I am confident in my ability to make valuable contributions to any engineering project, education and institution.

## EXPERIENCE

---

### PR and Marketing Coordinator at ERC Research Center

Coordinated public relations and marketing efforts as the PR and Marketing Coordinator at the ERC Research Center, facilitating communication strategies and promotional activities to elevate the center's visibility and engagement.

### Event Organizer Circuit Simulation

Managed the organization of the Circuit Simulation event at DELTA Techfest.

## EDUCATION

---

### Secondary level

Jhapa, Nepal

*Sigma English School*

Apr, 2007 - Apr, 2017

Secondary Education Examination (SEE)

Grade Point Average(GPA): 3.60/4

District Level Examination(Grade IX)

Grade: 82.75%

### Intermediate in Science

Jhapa, Nepal

*Emerald Academy Higher Secondary School*

Jul, 2018 - Jul, 2019

School Leaving Certificate Examination(Grade XI and XII) conducted by the National Examination Board(NEB) under the science stream.

Grade Point Average(Grade XI): 3.45/4

Grade Point Average(Grade XII): 3.64/4

Grade Point Average: 3.55/4

### Bachelors in Computer Engineering

Dharan, Nepal

*Tribhuvan University, IOE, Purwanchal Campus*

Dec, 2019 - Present

Waiting for 8th-semester result.

## PROJECTS

---

### E-Bazar

A complete website E-Bazar as my 3rd year project(Software Engineering).

### IOE Entrance Booster (Mobile App)

I have developed a mobile application aimed at aiding students in preparing for the IOE (Institute of Engineering) entrance examination, providing comprehensive study materials, practice tests, and exam strategies to enhance performance and readiness for the assessment. It was my minor project in BE.

## Real-Time Video Captioning the Unusual Behaviour of Psychiatric Patients with Notification System.

The design and implementation of a real-time video captioning system to detect and alert unusual behaviors exhibited by psychiatric patients, enhancing monitoring and care protocols within the healthcare setting, as the focal project of my academic major.

## ACHIEVEMENTS

---

### College Topper

I achieved the top position in my secondary-level examinations, ranking first among all students in my college.

### Faculty Topper

I attained the position of faculty topper in my Bachelor's program in computer engineering for both the **fifth and sixth semesters**, securing the highest academic achievement within my faculty during those periods.

## SKILLS

---

communication, Good knowledge about science technology and computer, Teamwork and collaboration

## LANGUAGE

---

Programming language C, C++, Python, Js, Dart, HTML, CSS, English Nepali Hindi
